

Technical Specification Sheet

GROUP LOCKOUT BOX PORTABLE 16 HOLES

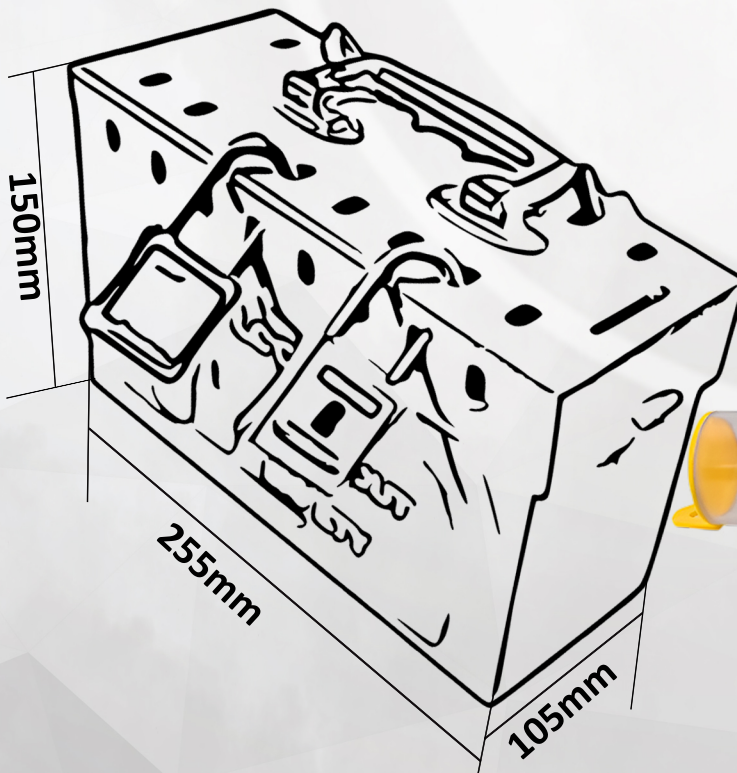

LS-G17: Group Lockout Box - 16 holes With documentation/permit holder A compact RED/YELLOW/GREY powder coated MS lock box used for the storage of keys and other machine activation devices.

Size-Width - 255mm, Height - 150mm

Depth - 105mm

Weight - 1.5kg

Once a machine has been isolated and made safe, the keys are placed in the lock box, each authorised person working on the machine then applies their own padlock to the box, ensuring the key can not be accessed until every authorised user is satisfied that the machine is safe to operate.
