

## Mod. AMIG 2 CONVEX MIRROR

**Measurements:** 60 cm

**Material:** Polycarbonate

**Finish:** Orange

**Code:** 24647

**Presentation:**  With individual EAN

**EAN unit:** 8413023246478

### Features

Convex mirror for security and surveillance. Suitable for corners and dead zones in shops and garages. With anti-UVA treatment and resistant to corrosion and impact. It can be fixed to the wall or to a stand. Includes the pieces for its anchoring. It incorporates a top visor to protect it from the rain.

### Assembly instructions / Utilities

Convex mirrors are used anywhere additional vision is required, providing a wider field of view than a normal flat mirror. Mirror made with tear-resistant material with high-quality reflective surface. Provides visibility at a distance of 8-10 m. Easy installation. The mirror is protected with a protective plastic on the front. The protective plastic should only be removed once installation is complete.

### Ecofriendly

At AMIG we aim to offer the best quality in our products without harming the environment. For this reason, we work to comply at all times with environmental regulations in our processes, as well as by implementing the Comprehensive Management System (SIG) for packaging waste.

### Care and cleaning

Clean with a dry cloth. Do not use abrasive and/or corrosive products, detergents, solvents or alcohols.
