

Technical Specification Sheet

GROUP LOCKOUT BOX PORTABLE 26 HOLES

LS-G22: Large Group Lockout Box - 26 Holes

Size: 253 x 154 x 300 mm

A compact RED/YELLOW/GREY powder coated MS lock box used for the storage of keys and other machine activation devices.

Once a machine has been isolated and made safe, the keys are placed in the lock box, each authorised person working on the machine then applies their own padlock to the box, ensuring the key can not be accessed until every authorised user is satisfied that the machine is safe to operate.
