3M[™] Reusable Coverall 50425

Providing the quality and comfort your team deserve. The 3M[™] Reusable Coverall 50425 offers CE Simple non-hazardous protection in a reusable, robust and comfortable garment.

3M™ Reusable Coverall 50425

The 3M™ Reusable Coverall 50425 provides user and garment protection in a wide variety of environments and situations. Extremely comfortable, it is made from a lightweight, breathable polyester.

The coverall has wide leg openings with adjustable hook and loop straps around the ankle, making it easy to put on and remove, even when wearing boots.

Typical Applications

- ▶ Paint spraying (water based paint, non-hazardous)
- ▶ Dusting, sanding and polishing
- ▶ General body and mechanical work and preparation
- ▶ Cleaning and area maintenance

Features and benefits:

- ▶ Two-piece hood with toggle for head protection & adjustable fit
- ▶ Robust, two-way zipper covered by a protective stormflap. Storm flap has hook & loop fasteners for a secure yet reusable closure
- ▶ Knitted cuffs for secure yet comfortable fit
- ▶ Three pockets, two on the front and one on the back
- ▶ Hook & Loop fasteners on ankles for an adjustable encapsulating fit
- ▶ Triangle acts as a vented back panel for extra comfort & reduced heat stress
- ▶ Front pockets provide easy two-way access to the wearer's clothes and pockets beneath the coverall
- ▶ Integrated knee pads offer users both added comfort and protection when working in a kneeling position
- ▶ Robust 67gsm material
- ▶ Anti-static treated material to prevent nuisance discharges
- ▶ Low-linting
- ▶ CE simple, suitable for non hazardous jobs such as spray painting with water based paints
- ▶ Available in grey with a blue triangular back panel
- ▶ Available in sizes Medium to 2XL

Fabric material

The 3M reusable coverall 50245 is made from a breathable, comfortable yet robust polyester material. The woven fibres offer strength whilst the antistatic treatment minimises static discharge during wear.

Seam Technology
Seams are serged
