

CUSTOMIZATION

Reflectosafe

understands the need for customizing products for the end-users, so that they get the highest standard of comfort & satisfaction.

At Reflectosafe we consider all factors & working conditions.

Our entire process of manufacturing the product is undertaken with 'YOU' in our mind.

Manufactured in
Reflectosafe facilities

Poly core
thread on all

A logo calls for easy department wise segregation of duties both on & off site.

Customization emphasizes on the need for a clear demarcation among workers at different levels of the hierarchy.

The logo itself is printed on a very high quality retro reflective fabric & thus makes the worker visible.

Transparent pocket
for identity cards

Stitch mobile
pocket on request
