

MEDIC 1000 SERIES

10 Person kit

DESCRIPTION:

The First Aid Kit has a unique design with compartments inside to hold contents. The semi-transparent cover offers easy access to the different content areas. The box can be taken anywhere leaving more space for other necessary first aid fillings. Can be free standing and is also supplied with a bracket to wall-mount the kit. Soft semi-automatic opening system. Dust proof lid keeps contents clean and sterile. All products come with clear, self-explanatory instructions.
