

V-410 Style Flat Fold BIG

User friendly large pocket design

Easy to store while not in use

Stay cool butterfly vent valve

- Provides breathing comfort and promotes easy communication
- Effective removal of heat build-up

CM/L-0007143057

0121
EN 149:2001+A1:2009

ISI Approved

European Approval

Anti Clogging (NR D)

Having passed dolomite test, they resist clogging even in very high dust environments

Superior microfibre media

Provides protection against sub-micron particles, fine dusts, water/oil based liquid mist and biological agents e.g. TB, SARS and pandemic influenza

Color coded fittings

- Allows easy identification
- Denotes the level of protection

Flat Fold style

- Large pocket style design
- Easy and compact to store while not in use
- Enhanced protection & comfort

Aluminum nose clip

- Leak-proof fit
- Disallows fogging of eyewear

Unique fit adjusters

Provides optimum protection & comfort

Latex free textile elastic

- Long life
- Skin friendly
- Does not deform in high temperature

Elastic fitted outside filter area

- Leakproof
- Avoids puncture

Nose liner (V-430 SLV)

- Prevents leakage
- Provides fit and comfort

Choice of different colours

To suit user conditions

Compatibility

Compatible with Venus head protection and eye protection devices

Bi-lingual user instructions

For easy acceptance by different wearers

Stay cool butterfly vent valve

- Provides breathing comfort and promotes easy communication
- Effective removal of heat build-up
