

Construction	Knitted
Liner Material	Nylon, Spandex
Coating Material	Nitrile
Finishing	Palm Coating
Gauge	15
Cuff Style	Knit wrist
Size	6,7,8,9,10
Length(mm)	240 mm
Packing	Single Pair Packing 250 pairs in a Cartoon

IDEAL APPLICATIONS

- ▶ Maintenance
- ▶ Packaging
- ▶ Light Assembly task
- ▶ Warehouse work
- ▶ General Handling

INDUSTRIES

- ▶ Automotive
- ▶ Machinery & Equipment
- ▶ Metal Fabrication
- ▶ Building
- ▶ Building & Construction
- ▶ Standard and Certifications

CATEGORY II

Standard and Certifications

DESCRIPTION

N-15 industrial gloves feature tough palm-dipped nitrile coating, perfect for light-duty manufacturing and maintenance applications

Nitrile coating also ensures excellent abrasion resistance – meeting EN level 4 standards – and secure, assured grip in dry and moderately oily conditions
