

|                  |  |
|------------------|--|
| Construction     | Knitted                                      |
| Liner Material   | HPPE, Glass Fiber, Spandex, Nylon            |
| Coating Material | Nitrile                                      |
| Finishing        | Palm Coating                                 |
| Gauge            | 13   |
| Cuff Style       | Knit wrist                                   |
| Size             | 6,7,8,9,10                                   |
| Length(mm)       | 240 mm                                       |
| Packing          | Single pair packing<br>200 pairs in a Carton |

## IDEAL APPLICATIONS

- ▶ Body Shop (Not suited for welding)
- ▶ Glass Sheet Handling
- ▶ Metal Sheet Handling
- ▶ Impressing Operation

## INDUSTRIES

- ▶ Automotive
- ▶ Machinery & Equipment
- ▶ Building & Construction
- ▶ Glass

## CATEGORY II

Standard and Certifications

EN 388:2016 + A1:2018

## DESCRIPTION

Sword Guard range designed for workers who can do the job without constraints, increasing productivity and leading to a smaller number of accidents and injuries.

N-505 Liner is soft and stretchable to provide great flexibility and comfort.
