

# EASY-CUT 5000 SERIES

## Product Description

Product damage is a persistent issue faced by warehouses and retailers; and commonly, the problem lies in the box/strap cutter. The Easy-Cut range is specially designed to protect your product from damage, ensure the safety of users while opening cardboard boxes and cutting composite straps. Easy-Cut's industrial German-made blade and sturdy handle makes it more durable than other cutters.

## Industries Served

- Food and Beverage
- Furniture and Fixtures
- Logistics and Transport
- Order Fulfilment
- Pharmaceutical
- Retail
- Storage and Warehousing

Easy-Cut 5000 brings innovation to a favorable price point Auto-Retract cutter. Blade change is as simple as squeezing the trigger and pressing a button. The Patented trigger-in-trigger provides further safety from accidental exposure to the razor-sharp blade, so it's a great knife to drop in an apron pocket and not worry about exposed blades.

Easy-Cut 5000 offers patented "Blade Vanishing Technology," enabling the blade to instantly retract inside the unit when it loses contact from the cutting surface, protecting the user every time. The patented knife includes a tape splitter and ergonomic squeeze handle to engage the blade.

## Key Features

- Auto-retracting blade
- Ergonomic handle
- Stops product damage
- Precise single blade setting
