

EASY-CUT 4000 SERIES

Product Description

Every feature and function of Easy-Cut was engineered to reflect our customers feedback in the field – and the result is the revolutionary Easy-Cut 4000! This safety knife is the retailer's solution to opening boxes quickly and safely, without damaging product inside and eliminates cuts and lacerations! Easy-Cut 4000 offers superior performance and long-lasting use, even in the most demanding retail environments!

Industries Served

- Food and Beverage
- Furniture and Fixtures
- Logistics and Transport
- Order Fulfilment
- Pharmaceutical
- Retail
- Storage and Warehousing

Easy-Cut 4000 has three precision blade-depth settings for precise cutting on all corrugated boxes (even difficult-to-cut imported boxes!), and a patented radius-tip blade that protects the user and merchandise inside the box. "Blade Vanishing Technology" enables the blade to instantly retract inside the unit when it loses contact from the cutting surface, offering added safety to the user! The handy clip-on holster and lanyard offer convenient, safe storage – reducing injury and downtime looking for lost cutters; therefore, increasing your profits! Dual-sided edge guides ensure accurate top cuts, and on-board blade storage enables fast, tool-free blade changes. Sturdy, lightweight and always reliable, Easy-Cut 4000 is the safest box cutter you'll ever buy!

Key Features

- Ambidextrous edge guides
- Auto-retract blade
- Clip-on holster & lanyard
- Ergonomic handle
- Increases profits!
- Stops product damage
